## Homeowners Association Board Members.

In the meeting on November 19, 2014 new board members were selected:

- President – Larry Brown.
- Secretary – Debi Robertson.
- Treasurer – Keith Downs.

Code Enforcement of Streets and Stormwater, has given our community a notice to fix and clean up our retention and detention ponds. The ponds located on Mystic Cove Drive are not draining properly and have outlasted their average lifespan. We have until the middle of December to do this repair work.

I would love to meet you at our next HOA meeting on February 18<sup>th</sup> at 7:00 in the cabana. I encourage your involvement so we can make improvements to our neighborhood through your help and support.

Larry Brown
