This is a reminder notifying you of our upcoming

# Community Garage Sale

We have placed our ad with the *Orlando Sentinel* regarding our annual **community garage sale**. The ad will run for the three days before the garage sale – Thursday, Friday, & Saturday – notifying the public of the time and location!

For the last several years, we have tried to have our community garage sale during the month of Easter. Last year Easter was in the month of April, and we held it at that time. Easter is early this year and falls in the month of March.

This is a great time to dispose of those items you are not using or if you wish to create more space and less clutter. You might want to consider contacting your neighbors, work together, and have fun at the same time.
